

**Morgan County Public Library
Genealogy Request**

If you are unable to visit the Main library to research and make copies of our records, we will gladly make the copies for you. **To have information sent to you, please complete this form and send it along with payment of \$3.00 per lookup. (Ex. James Jones – cemetery information + marriage record + census record = \$9)** Because each request takes time, payment is required whether we find information or not.

Please provide the following information:

Your Name: _____

Street: _____

City, State, ZIP: _____

E-Mail: _____

(Requests will be sent as a .pdf files attached to your email address if you list it above. Otherwise it will be sent by US Postal Service.)

What information are you looking for? Check any and all that apply:

____ Cemetery/Burial Information

____ Census Information

____ Marriage Record

____ Birth/Death Record*

Please provide appropriate names & dates.

* The library DOES NOT house any vital records. We simply have the birth and death record indexes. The information from the indexes will provide a date only—not an actual birth or death record. Please Note: The state of Indiana did not require death certificates until 1882.

Please submit payment and form to:
